Judging

To assure judging, please have your vehicle in place by 11:30 a.m.

Thank you for entering your vehicle in this year's event. **For judging, please open the hood and trunk (if a conventional trunk). Convertible tops may be up or down (your choice). Not opening your trunk or hood will put you at a disadvantage to other vehicles in your class.**

Judging is based upon authenticity, cleanliness and condition. It is nearly impossible for the judges to know everything about every make and model. However, they do know what is appropriate for various time frames.

Modern safety devices such as radial tires, turn signals, and seat belts are allowed without penalty. The same applies to consumables such as spark plugs, radiator hoses, etc.

Variations from factory stock, except as noted above, will negatively impact your vehicles judging results. **The judges' decision is final.**

If your vehicle is not judged (a dot on a headlight, windshield, or ID card), by 12:30 PM, please notify a club member. After your vehicle is judged, the hood and/or trunk lid may be closed.
